RE: Physical Education Fundraising/Wildcat Wall of Support

To Whom It May Concern:

As staff at Marwayne Jubilee School, we have had the privilege of fulfilling a lifelong passion for physical education and student athletics. In the Marwayne area, our community dedicates itself to a history of athletic achievements, some of which are showcased on our gymnasium wall. Without the pride and support of the Marwayne area, our students at Marwayne Jubilee School would be unable to continue our athletic traditions, as we rely heavily on teachers, parents and other volunteers to not only coach our student-athletes, but to transport them to athletic events as well.

In the technological world that we live in today, it is becoming increasingly difficult to motivate our students to pursue lifelong physical education. At MJS, we have the good fortune of allowing our classes the opportunity to participate in daily physical activity for 40 minutes per day, which exceeds the Province of Alberta's mandated goal of 30 minutes per day. However, due to budgetary restraints, aging equipment, and the rising costs of physical education equipment and shipping, it becomes increasingly difficult to provide our students and our athletes the necessary resources to develop individual skills needed at a recreational or a competitive level.

As a result, our physical education program and our athletics department are reaching out to you, members of our community, to support us with an annual fundraising initiative; our "Wildcat Wall of Support." If you choose to support this initiative, all donations will be recognized in our gym with a personalized sign that will remain visible at all MJS events during the course of the school year. The fundraising system is as follows:

- Black & Gold – A \$250.00 donation and a personalized 2'x 3' sign on the middle tier of the "Wildcat Wall of Support"

Your donation would go towards providing our physical education classes with more equipment, and furthermore will help us to replace any aging equipment, allowing our students to have access to the most current "technology" in a gymnasium setting. This, in turn, will ensure that our students stay competitive with larger schools at athletic competitions. Short term purchase plans include a shooting machine for basketball and jerseys for our cross country and track athletes, as well volleyball. This donation would renew annually but the individual may opt out at any time.

Our student athletes are able to offset the cost of their team fees for athletics by bringing in a sponsorship as well, which will hopefully lead to a large group of support.

On behalf of the physical education program and the athletics department at MJS, we would like to thank you in advance for any donation that you may make. It will be a great benefit to our teachers, coaches and student-athletes. Should you have any questions regarding this initiative, or the "Wildcat Wall of Support," please do not hesitate to contact Mr. Reuben Baker at the school at (780)847-3930 or via email [reuben.baker@btps.ca](mailto:reuben.baker@btps.ca).

Thank you for supporting our Wildcats!
